**Simplified ordering instructions!!!**

1. Go to [www.nunnbetterdogs.com](http://www.nunnbetterdogs.com) and click “Dog Events” then “SuperPup Sept 2021.” There will be a folder for each dog populated with images within 7 days of trial.
2. Click on your dog’s gallery of photos and review the photos.
3. Across the bottom of each photo is a file number. Write down the file # of each image desired. I only need the dog’s name and number preceding it.
  - For example, if the file name is <NBP\_Sept 2021 SuperPup Sadie\_1>, I only need Sadie\_1 for the order.
4. Move to another folder if needed.
5. When done, simply send me an email [nunnbetterdogs@gmail.com](mailto:nunnbetterdogs@gmail.com) with the abbreviated file #s (see Step 3) and whether you want digital images or prints.
  - NOTE: due to low light conditions, not all images are suitable for prints. I will let you know if I don’t think one is suitable.
6. **That’s all needed to place the order.** I will send a confirmation email within 24 hours that your order has been received. If you have not received an email within 24 hours, please check your spam folder.
7. Once post-processing is complete (should be within 24 hours) you will receive an email invoice from [NunnBetterDogs@gmail.com](mailto:NunnBetterDogs@gmail.com) from PayPal or Square. I also take payment through Zelle.
8. Upon receipt of payment, the digital photo(s) will be cropped and enhanced as needed and emailed to you (either one per email or a zip file) or sent via Dropbox shared folder. The purchased digital prints are suitable for all social media. Prints will be sent off to my lab for processing, and once I receive them back, will mail them USPS Priority Mail.
9. Receipt of payment will confirm your agreement to the copyright licensing terms and conditions listed on the invoice (personal use only). Please email with any questions or concerns to [nunnbetterdogs@gmail.com](mailto:nunnbetterdogs@gmail.com)
